9	Karl Newman	Anaconda	30:52	2003
10	Karl Newman	Anaconda	31:09	2002

Take these records 'with a grain of salt.'

Yearly conditions have varied widely, and those who have run the races many times know that the starting lines have not always been in the same spots, and of course there are the occasional timing errors that occur when, among other reasons, two separate races share a common finish line. Please do email us if you notice a typo or other mistake that you are positive is an error.
