

1989 AOH St. Pat's Day Run

Saturday, 11 March – Six Mile Record for Men. Two former University of Montana All-Americans clashed in today's six mile race. Ken Velasquez was an All-American in cross-country in 1985, and he qualified for last year's Olympic Trials 10,000 meters with a time of 28:24. Tom Raunig earned All-American honors in the 10,000 meter race in 1982, and he still holds the U of M school record in that event with a time of 28:40. Today, both runners proved his good conditioning by recording the fastest two times ever run on the six mile course. Both finished under Matt Rothermel's course record of 29:02 from a year ago. Raunig finished second today with a time of 28:55. Velasquez stopped the clock in 28:14.
