

2014 AOH St. Pat's Day Run

Saturday, 15 March – A sunny day with temperatures above freezing and a moderate tailwind drew 609 listed finishers in this year's AOH races. The current record of 660 was set in 2011. The races were advertised to start at 11 a.m., and they went off at 5 minutes after the hour. The road was damp and icy in places, but the footing was good.

In the three mile race, Butte Central High School's Conor McGee broke away from Anaconda High's Aiden Theard near the race's end, when Theard stopped to vomit. Then McGee (perhaps unknowingly) held off a last-minute charge by Nicole Hunt of Warm Springs to win by six seconds with a time of 16:19. Hunt finish second overall, and first among women, with the second fastest time ever run on the course by a female. Only Hunt's own record time of 15:50 from 2010 is faster. Anacondan Lisa Minnehan, who recently moved back to her hometown, was the second woman, finishing in 16:46, a time that only Hunt has ever bettered among women.

Helena's Jesse Zentz won the men's 6-mile in 31:31 with Butte's, Matt Choquette finishing next, 9 seconds later.

In the women's 6-mile, two Butte runners had a close race to the finish line, with Cara Whitlock (42:04) finishing eleven seconds ahead of Charissa Bisch.

First-time age-group records were established for both genders in the 80+ year old division. Butte's George Parrett (80) was timed in 41:34, and Anaconda's Ann Walker (80) finished in 57:54.
