**Post-Race Comments:**

"As a 09 Wulfman CDT participant - tremendous job! Your hard work and attention to detail was impressive amidst some challenging weather. We really appreciate all of your hard work - and sweating the small stuff that made this race successful. Congratulations on a job well done. 2010 Wulfman CDT will be on my calendar. BTW - whoever was the 'wulf out on the trail - I need my adrenaline rush back! Great job." - Kirk Keller, Bozeman

"... wonderful race on Saturday. I had an absolute blast despite the rain and cold temperature. It really was one of the more fun trail races I have ever done ... I told all my friends here in Missoula they had better sign up early next year to get in. They missed one heck of a great race." - Kiefer Hahn, Missoula

"...thank you for putting on such a great run. It was beautiful, the trail was great and I thought it was well organized, especially under the circumstances. There is no controlling the weather and it actually made it more memorable :) I will definitely be running it again. - Debbie Gibson, Helena

"Hope you survived yesterday okay ... thanks for all of your effort. I know that putting on a race is a huge undertaking in the best of conditions; but, with the rain, it's doubly challenging. For all those that forget how much it takes to put on a first quality event, let me say Thank You, Thank You, Thank You. I'm so glad that I came over (even if I did run like doggy poo). And, in Arnold's famous line, I'll Be Back... As to getting "chicked" by Nicole - next time ask her to be a little gentle with the ass kicking :-)" - Tony Banovich, Plains

"I would like to thank you folks for the great run your group put on. The organization was great, the volunteers friendly and the barbecue outstanding." - Bob Sims, Great Falls

"I would like to thank you for a wonderful day! The Wulfman Run exceeded my best expectations! The weather only made it more memorable and I will be back for more! Have a great summer and thank you again for making mine!!"  
- Jennifer Loomis, Helena

"Thanks for a super fun day yesterday. Really had a good time, the race was supremely well organized and everything went off great. Thanks again for all your hard work..." - John Herring, Missoula

"Hello "Best Run Ever" Organizers ~ ...Thanks - another great race... even in the rain!" - Sunny Roy, Livingston

"GREAT RACE! Thanks for all the work you and your running club did - it was amazing and so much fun. I look forward to next year and the reverse direction..." - Heidi Makoutz, Bozeman

"... I thought the race was fantastic! The course was so beautiful, and I appreciated that it was so well marked with all of the kilometer marks identified. I was also amazed at how smoothly the start went - the system was sort of complicated, but it looked to me like everyone started right on time - that's fantastic! I also appreciated the outhouses at the start and finish, and the fruit at the finish! I also thought that the option to choose between short and long-sleeved t-shirts was nice. Anyway, thank you so much for putting on such a well-organized and fun race. I'll definitely be back next year!" - Jessica Groseth, Bozeman

"The race was terrific. I loved that trail in the rain. Congratulations on all your efforts, and thank you ... for getting all us runners together for a great Summer Solstice Weekend Rain Run! The Wulfman is proud." - Vaia Errett, Whitehall

"Thank you for a wonderful race. I have to say it was a lot harder than I was envisioning but definitely a character builder."  
- Tammy Copenhaver

"I wanted to tell you the Wulfman was just a lot of fun. Congrats... for having a well organized race through one of the neatest trails around. I can't think of anything you could have done better. Good job!!!" - Craig Hildreth, Bozeman

"Great race, except for the weather :)" - Vern Roberts, Helena
