

## 1988 Frigid Digger Race

**Saturday, 30 January** – Race Director Bill Yeagle announced that proceeds from the second annual Frigid Digger Races again benefitted Montana Tech athletics, and all race participants received a complimentary t-shirt and two tickets to the evening's men's and women's basketball games between Montana Tech and Rocky Mountain College.

Sixty-seven runners raced in the sub-freezing temps and a strong wind. The races started at 11 a.m. and followed the same routes as last year.

The 3-mile race started at Tech's HPER Building and went west over the hills, then back to the HPER. The 7-mile race took runners west on Stagecoach Road then north for one mile up Brown's Gulch before turning west through the hills back to the Mining Museum and up the Mining Museum road finishing at MT Tech's HPER complex.

Each race winner received two free steak dinners from the It Club in Rocker plus bags from the Big Butte Run.
