

2003 Frigid Digger Race

Sunday, 23 February

With this year's retirement of Bill Yeagle from the Montana Tech Athletic Department, he also ended his long and exclusive run as the Frigid Digger Race Director. Proceeds from the race had previously been used to support Tech Athletics. Yeagle's parting effort was to approach *Butte's Piss & Moan Runners* club to gauge their interest in taking over the race, and they did adopt the race after John "Wulfman" Wulf expressed his normal high level of enthusiasm for the idea. Cheryl "The Warden" Peterslie is now the Race Director with the assistance of fellow club members Wulf and Bruce "Red Dog" Robinson.
