

2005 Frigid Digger Race

Saturday, 26 February -- The race report said it was a warmer than seasonal day for the 77 race finishers. Six years after the race, 7-mile finisher Michele Bazzanella looked back on it fondly, writing "I remember that one well... I had just met Randy [her future husband] the week prior and I drove over to run the race then see him again. It was a beautiful day, clear, dry roads, warm - I chased the lady from Missoula ... I couldn't keep up with her. :)"
