83	Jason Hamma	Butte	30:26	1992	The race's point-to-point course design magnifies the importance of wind readings in producing fast times, and yearly wind (and other weather) conditions have varied widely.				
84	Mike Walsh	Helena	30:26	1996	The current age brackets (indicated on this page) were established in 2004.				
85	Peter Dan Sullivan	Helena	30:30	2007	Times from years prior to 2004 were retroactively included in the new divisions by investigating and extrapolating the actual ages of the runners in question.				
86	Peter Dan Sullivan	Helena	30:36	2009	Unfortunately, there were also times when finish times (most notably 2006) were not recorded for runners. Please do email us if you notice an omission or other mistakes that you are positive is an error.
